FERROCORE PEAKING COILS / COIL TYPE

FEATURES

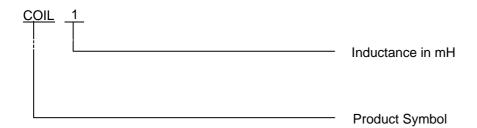

- Small size radial lead type
- Available taped for auto insertion
- Excellent characteristics for high Q
- Special lead wire construction prevents open circuit failures.

APPLICATIONS

- TVs and Audio equipment
- **Switching Power Supplies**
- Buzzers and Alarm systems
- Telecommunication devices and etc.

ORDERING CODE

SHAPES

DIMENSIONS UNIT: mm

| Part No. | A (Max) | B (Max) | C (Min) | D (±0.05) | E (Ref.) |
|----------|---------|---------|---------|-----------|----------|
| COIL | 10.5 | 12.5 | 10 | 0.65 | 5.0 |
